

Corporate, Legal and Financial Printers

A Solid Choice

Printing Solutions for Your Business

Now in our 25th year, we rank as a leader in the Boston area for short to medium-run offset and digital printing. Quality in everything we do makes us one of the region's most reliable print sources.

We pride ourselves in making our customer's lives easier by guiding them through the process, choosing the most cost effective and timely print solution to meet their specific needs.

1 Service Integrity - Guaranteed.

We are local, responsive and experienced. At Murphy & Company we take personal responsibility in both our products and processes.

Partners with Principals – the principals are involved and experienced in every aspect of daily operations and client communication, providing:

- Exceptional personal service.
- Guidance throughout the process.
- An ease of doing business.

Teamed with our Staff – an experienced crew that knows their business, anticipates problems, and offers solutions surpassing your expectations on every job. We ensure:

- Initiative on inquiries.
- Sensitivity to customer specifications and delivery schedules.
- Cost saving solutions through recommendations.
- Knowledge of product and requirements for end use.

3 Cost Saving Print Solutions.

We offer flexible solutions ensuring that your job is produced with the most cost-efficient process and the piece of equipment that best suits the specifications, budget and end use of your project.

Versatile Proofing Systems – We offer pdf, digital and true color-to-press proofs.

Diverse Equipment – we have the right equipment to accommodate your specific needs. We offer further flexibility and savings with presses dedicated to two colors and envelopes.

- HP's Digital Press
- Xerox Docutex
- 6 Color Heidelberg Press
- 2 Color Heidelberg Presses
- Envelope Presses

2 Built In Quality.

Quality in everything we do.

A Focused Environment – everyone at Murphy & Company is working toward a common goal to produce a printed piece of exceptional quality.

Quality Assurance through Meticulous Systems – with 25 plus years of experience, our team has refined our quality control process with repetitive systems in pre-flight, press approvals and final job inspection to guarantee superior finished pieces.

Value Added - we offer value-added advice on design options, or stock changes to generate efficient runs, smooth workflow, with an optimal end product. We continually analyze projects and make recommendations to accommodate customer's budgets and time constraints.

Cutting Edge Technology – implementation of digital workflows, current software, and programmable equipment decrease variables and increase speed and consistency generating faster turnarounds and higher quality results.

Corporate, Legal and Financial Printers

4 Products and Services that Deliver.

Digital Printing – for time sensitive, short-run color of exceptional quality at economical prices, choose digital.

- High Speed Quality Imaging
- Process Color and Exact PMS Matches
- Variable Data
- Personalization
- Web to Print

Uses – Invitations, Postcards, Sell Sheets, Posters, Brochures, Business Cards, and Multi-page documents.

Offset Printing – skilled craftsmen run the best presses Heidelberg manufactures. From our six-color Speed Master to our two-color Quickmaster, you'll find a press fit for any job.

Multi-Color Offset Printing

- 1,000 to 100,000 pieces
- Maximum Sheet Size 14.5 x 20.5"

Uses - Business cards, postcards, annual reports, brochures, flyers, promotions, invitations, letterhead, manuals, and other small-format, full-color pieces.

Two-Color Offset Printing

- 100 to 1,000,000 pieces
- Maximum sheet size up to 40"

Uses - Business cards, postcards, annual reports, brochures, flyers, promotions, invitations, manuals, prospectuses, annual reports, newsletters, buck slips, pocket folders, manuals and stationery packages.

Complete In-house Bindery

The latest software and program-driven equipment in our in-house bindery extends our control of job quality and secures timely delivery.

Uses - Folding, padding, saddle stitching, perfect binding, wire-binding, 3-hole drill, shrink- wrapping, insertion and mailing services.

Envelopes

We offer solutions of automation, shorter set-ups, less waste, and faster throughputs on any size envelope and up to six-color printing on stocked item envelopes with no converting required.

Uses – Invitation envelopes, business envelopes, booklet envelopes, and catalogue envelopes.

5 Our Environmental Commitment.

Murphy and Company is committed to environmental safety. We recycle 100% of all paper, chemicals and plates. A percentage of our paper inventory is donated to schools throughout Massachusetts. All of our promotional materials are printed on recycled stock.
